

WMD Radiological/Nuclear Awareness Train-The-Trainer (AWR-141)

This WMD Radiological/Nuclear course is delivered throughout the nation to jurisdictions approved by the U.S. Department of Homeland Security, Office of Grants & Training (G&T) and their Centralized Scheduling and Information Desk.

Course Description:

This course is designed to prepare trainers to deliver a six-hour Radiation Awareness Course for first responders and other personnel who are likely to be the first to arrive on the scene of a radiological/ nuclear incident. The Radiation Awareness Course focuses on the basics of radiation, radiation exposure health effects, hazard identification, and proper notification procedures. Using a prepared lesson plan, each student in the Train-the-Trainer course will have an opportunity to learn the basics of platform presentation and classroom discussion. Trainer students will present a portion of the Radiation Awareness Course as part of the training.

Course Length:

9 hours

Prerequisites:

Attendees must be instructor-qualified (National Fire Protection Association or equivalent).

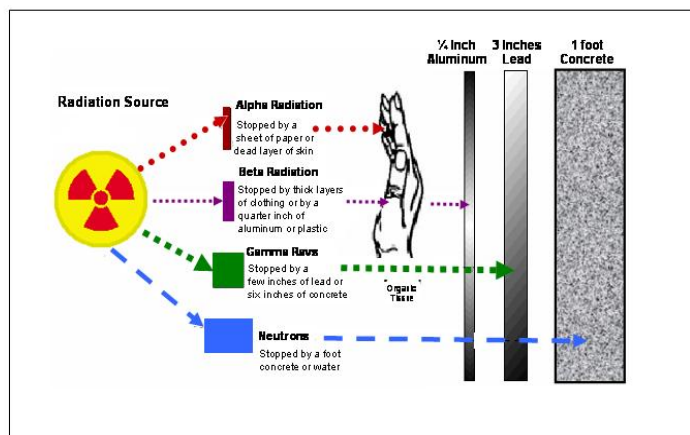

Target Audience:

All persons responsible for the training of:

- ◇ Law Enforcement
- ◇ Emergency Medical Services
- ◇ Emergency Management Agency
- ◇ Fire Service
- ◇ Hazardous Materials (HazMat)
- ◇ Public Works
- ◇ Governmental Administrative
- ◇ Public Safety Communications
- ◇ Health Care
- ◇ Public Health
- ◇ Other skilled support personnel that provide immediate support services during prevention, response, and recovery operations

Comparison of Ionizing Radiation

Certificate:

Certificate of Completion is issued upon successful completion of the course.

Eligibility:

Jurisdictions select their course participants.

Course Delivery:

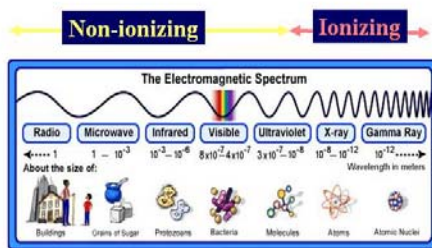

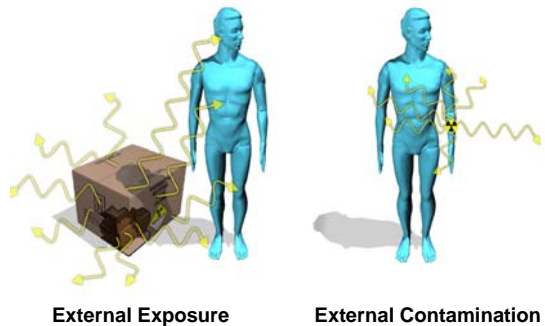

Classroom training is delivered at the students' designated location.

Cost:

All training and course materials are provided at no cost to eligible participants.

Enrollment Information:

In order to attend a training class delivered by one of the G&T training partners, a request must be submitted to the designated DHS training point of contact. For the Training Coordinator in your area, please contact the DHS/G&T Help Line at: 800-368-6498.
